

How to Delete Your Baykart Account

If you want to delete your Baykart account and remove all associated data, follow these steps:

1. Open the Baykart app and go to "Settings".
2. Click on "Delete My Account".
3. Confirm your request.

If you need further assistance, contact our support team at:

 support@gobaykart.com

Once your request is processed, your account and associated data will be permanently deleted.
